

Konstantinos Mourelas

Technical Artist · Game Developer

Patras, Greece • mourelask@gmail.com • mourelask.github.io

PROFESSIONAL EXPERIENCE

Terahard

Technical Artist & Programmer

2024 – Present

Working across both tech art and gameplay programming on two upcoming titles.

- Shaders, VFX and rendering work alongside gameplay systems and editor tooling

Dunebound Tactics

- Technical art and gameplay programming on a roguelite turn-based tactical RPG

RuneSmith

- Technical art and gameplay programming on a humorous dwarven crafting RPG

eNVy softworks

Patras, Greece

Technical Art Director

2018 – 2024

As a co-owner of the award-winning indie studio, I wore both the Art and Technical Director hats depending on the project. In one way or another I was part of:

- Over 50 projects for 30+ clients in interactive media on mobile, desktop and web — mainly augmented and virtual reality
- 20 exhibitions and conventions
- 8 competitions and countless workshops, game jams and prototypes
- Two games featured at the Gamescom Indie Arena Booth
- A game shipped live on Steam

Basements 'n' Basilisks

- Gameplay programming lead
- UI design and implementation
- 3D and technical art lead

Dimday Red

- Technical art and optimization lead
- UI programming

Respace Twin

- Led development of the Unity mobile app
- Custom partitioning system streaming BIM data from the cloud at runtime

Ariel AI

- Led a Unity mobile app showcasing ArielAI machine-learning models on humanoid rigs in real time, in AR and networked scenarios

Realiscape

Patras, Greece

Lead Unity Developer

2016 – 2018

- Led design and development, from the ground up, of a VR Cave firearms simulation
- In charge of product design and visualization
- Introduced and led the team's asset creation through photogrammetry

HYPERCO

Ioannina, Greece

Lead VR Developer

2013 – 2015

- Developed stereoscopic 3D applications (visual tour and educational mini-games) for the Perama Cave media center
- Post-production of 3D models created by laser-scanning parts of Perama Cave
- Produced a stereoscopic 3D short documentary, directed and rendered inside Unity

TigerX

Senior 3D Visualization Artist

Cornwall, UK

2012 – 2013

- Photorealistic visualization for architectural visualization and advertising
- Workflow improvements via custom 3ds Max tools (MAXScript)

Freelance

Patras, Greece

3D Generalist

2010 – 2016

- Architectural visualization
- Product design

EDUCATION

Electrical and Computer Engineering 2003

University of Patras , Greece

- Master Thesis: Unbiased 3D Rendering for Photorealism
